Staff news

26-30 Lennart Lindegren becomes Professor emeritus
Anders Johansen on vacation

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>
THEP – <http://particle.thep.lu.se/Seminars/>
CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Additional talks and seminars

14 Master's thesis defense of Tim Olsson, 16:00, Lundmarksalen

Important dates and events

7 Faculty board meeting
14 Department board meeting 13:15-15:00, Charlier room
15 Department herring lunch 10:00-14:00 - <http://doodle.com/poll/iqkk4h8yzw5p7gav>

Absences, trips and other travel

1-8 Johan Bijnens attends the First Workshop of the Muon g-2 Theory Initiative, Fermilab, USA and gives a talk
2-7 Roman Pasechnik visits the HEP group at Aveiro U. (Portugal) and gives a seminar
3-11 Thomas Bensby at the Southern Cross 2017" conference in Sydney, giving a talk about 4MOST
5-14 Leif Lönnblad attends workshop in Les Houches
5-16 Bertram Bitsch attends the MIAPP workshop Protoplanetary Disks and Planet Formation and Evolution" in Munich, Germany
11-15 Alex Mustill attends the 2017 meeting of the Division of Dynamical Astronomy of the AAS, Queen Mary University, London, and delivers invited talk
11-22 Melvyn B. Davies participates in the Physics of Extreme-Gravity Stars programme at Nordita, Stockholm
11-30 Ross Church participates in the Physics of Extreme-Gravity Stars programme at Nordita, Stockholm
12-16 Torbjörn Sjöstrand attends the workshop on LHC and the Standard Model: Physics and Tools at CERN
12-18 Roman Pasechnik attends the Low x meeting in Bari (Italy)
13 Anders Johansen gives presentation at the Tycho Brahe Society's celebration of Asteroid Day
15-22 Leif Lönnblad attends Theory institute at CERN
16-17 Alex Mustill attends the Wenner-Gren Foundation symposium "Planetary atmospheres: on Earth, in the Solar System, and on exoplanets", Stockholm
17-25 Johan Bijnens attends Lattice 2017 in Granada, Spain and gives a talk
19-22 Anders Johansen attends "Origins of Solar Systems Gordon Research Conference" at Mt. Holyoke, Massachusetts
19-23 Bertram Bitsch attends the "Comets Workshop 2017: Comet formation paradigm after Rosetta" in Sofia, Bulgaria
25-30 Iryna Kushniruk attends the EWASS 2017 conference in Prague

Editor: Ross Church (ross@astro.lu.se). Deadline: 17.00 on the last day of the previous month.
