Staff news

14-20 Lena Magnusson on vacation

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>

THEP – <http://particle.thep.lu.se/Seminars/>

CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Additional talks and seminars

2 COMPUTE winter meeting, 09.30, Lundmarksalen
14 ATP talk by Johan Thorén, 15.15, Lundmarksalen
26 COMPUTE seminar by Martin Turbet (Paris) on Numerical Climate Models

Visitors

5-9 Chiara Battistini (Heidelberg) visits astronomy (host: Dominic Ford)
19-20 John Monnier (University of Michigan) visits astronomy (host: Sofia Feltzing)

Important dates and events

22 PhD Defence of Asli Pehlivan Rhodin, 09.00, Lundmarksalen

Absences, trips and other travel

1-31 Anders Johansen visits Tokyo Tech. Mattias Ohlsson can sign paperwork as deputy prefect
1-9 Henrik Jönsson, Maria Lomaeva and Rebecca Forsberg observing at NOT, La Palma
5-9 Dainis Dravins (invited talk) and Colin Carlile (poster) attend the ESO workshop 'Imaging of Stellar Surfaces' in Garching
5-9 Simona Pirani attends the workshop 'Diversis mundi: The Solar System in an Exoplanetary context' at ESO, Santiago, Chile, and gives a talk
6-10 Daniel Mikkola participates in SciFest Science Festival in Uppsala
10-16 Johan Bijmens attends the Muon g-2 Theory Initiative Hadronic Light-by-Light working group workshop at the University of Connecticut, Storrs, USA and gives a talk
12-14 Fan Liu attends the La Silla Paranal Users Workshop in Garching, Germany
12-14 Melvyn B. Davies is a member of a jury to examine seven PhD theses in Padua, Italy
12-16 David Hobbs gives an invited talk at 'Science with Precision Astrometry', STScI, Baltimore
13 Leif Lönnblad in Uppsala for HEP strategy meeting
13 Sofia Feltzing attends an extraordinary ASTRONET board meeting in Bologna on behalf of the EAS
14-16 Ross Church and Alexander Mustill (15-16) attend the 2018 SRS meeting in Kiruna
18-23 Oscar Agertz attends workshop on computational galaxy formation at Schloss Ringberg
19-22 Henrik Jönsson attends APOGEE workshop in Besancon, France
19-30 Roman Pasechnik attends XIV Hadron Physics 2018 conference and visits the THEP group at Federal University of Santa Catarina, Florianópolis, Brazil
20-23 Melvyn B. Davies and Alexander Mustill (21-23) attend the CHEOPS Science Team meeting no. 13 in Paris
21-23 Sofia Feltzing visits various institutes in Kiruna together with RÅG-B of the RFI at VR
22-23 Leif Lönnblad in Regensburg for EIC workshop
25-29 Nils Ryde and Brian Thorsbro attend a Galactic Center workshop at Nice Observatory
