Staff news

Nils Hermansson Truedsson leaves for a postdoc position at Universität Bern
Ioannis Tsirikos starts as a Researcher working in the ERC project collectiveQCD
James Black visits as an MCnet short-term PhD student for three months
Marian Heil visits as an MCnet short-term PhD student for three months
Sandipan Mohanty visits us for three months to work with Anders Irbäck
Eva Jurlander on vacation

2-4

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>

THEP – <http://particle.thep.lu.se/Seminars/>

CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Additional talks and seminars

30 ATP talk by Simona Pirani

Visitors

1-30/11 Sandipan Mohanty (Jülich Supercomputing Centre) visits CBBP (host: Anders Irbäck)
10-9/11 Jennifer Johnson, Ohio State University, visits Astronomy (host: Sofia Feltzing)
14-13/11 Urs Schäfer visits Astronomy (host: Anders Johansen)

Important dates and events

9 Department excursion - fill in the doodle at <https://doodle.com/poll/r75xes9h7fznc5qp>
10 Introduction for new employees (10.30, Charlier)
15-16 Swedish e-Science Academy in Lund (see www.compile.lu.se for details)

Absences, trips and other travel

1-5	Roman Pasechnik attends the kickoff meeting of the COST Action on 'Quantum gravity phenomenology in the multi-messenger approach' in Barcelona
2-3	Johan Bijmens, Andrew Lifson and Torbjörn Lundberg attend Partikeldagarna in Linköping
2-4	Dainis Dravins attends workshop on solid-state photon detectors in Bari, Italy
30/9-4	Melvyn B. Davies and Alex Mustill attend CHEOPS Science Team meeting, Cambridge
4	Johan Bijmens and Torbjörn Lundberg (4-5) attend Fysikdagarna in Linköping
7	Sofia Feltzing attends meeting in Stockholm
7-9	Eero Vaher, David Hobbs and Lennart Lindegren attend Journées 2019 in Paris
7-11	Christian Sahlholdt attends the European Radio Interferometry School in Gothenburg
8	Sofia Feltzing attends 2 meetings at KVA, Stockholm
9-10	Dainis Dravins visits Astrophysical Institute in Potsdam, gives a seminar
9-11	Ross Church visits MPIA Heidelberg for collaboration
11	Anders Johansen sits in PhD committee of Djoeke Schoonenberg, Amsterdam
14-17	Colin Carlile visits MPI Munich as member of Critical Design Review panel of CTA LSTs
14-17	Nils Ryde visits Nadine Neumayer in Heidelberg
14-18	Ross Church at LISA consortium and executive board meetings in Hannover
16-19	Johan Bijmens visits University of Valencia and takes part in a PhD defence committee
21	Sofia Feltzing attends meeting with the Expertgruppen för oredlighet i forskning, Lund
24	Sofia Feltzing attends and chairs the National Committee for Astronomy, Stockholm
24-25	Dainis Dravins, Sofia Feltzing, David Hobbs, Alex Mustill (talk), Simona Pirani (invited talk), Nils Ryde, Brian Thorsbro (talk) and Eero Vaher attend Astronomdagarna, Stockholm University
27-28	Johan Bijmens visits Gothenburg University for an evaluation of the PhD education in physics
28	Sofia Feltzing attends meeting with the Rådgivande Grupp B, RFI-VR, Stockholm
29-31	David Hobbs attends the ESA Voyage 2050 workshop, Madrid

Editor: Ross Church (ross@astro.lu.se). Deadline: 17.00 on the last day of the previous month.
