Visitors:

15-18 Ted Gull (GSFC/NASA) visits Atomic Astrophysics

Absences/Trips by Staff of the Department

- 2-4 Nils Ryde attends workshop on non-LTE in Uppsala
- 3-7 Sofia Feltzing attends the ESO@50 workshop in Garching and gives a talk on microlensed dwarf stars
- 3-7 Cheng Liu attends the art of observational campaigns in Tenerife
- 3-7 Melvyn B. Davies attends the Planet Formation and Evolution 2012 meeting in Munich
- 7 Anders Johansen attends "XXXII Dynamics Days Europe" in Gothenburg
- 10-13 Dainis Dravins at European Research Council, Brussels
- 10-14 Melvyn B. Davies member of the Compact Binaries in Globular Clusters program at the Lorentz Center, Leiden
- 12-15 Sofia Feltzing attends the workshop on high-resolution spectrographs for E-ELT in Cambridge
- 13-14 Dainis Dravins and Nils Ryde at meeting on high-resolution spectroscopy with E-ELT; Cambridge, U.K.
- 16-21 Gösta Gustafson attends the Intern. Symp. on Multiparticle Dynamics, Kielce, Poland
- 17-20 Michiel+Katrin attend 'Instabilities and Structures in Proto-Planetary disks' in Marseille
- 19 Sofia Feltzing attends AWG meeting for selection of Small Missions at ESAC, Madrid
- 20-21 Sofia Feltzing attends the abundance analysis workshop for the Gaia-ESO Survey in Potsdam
- 13-18 Cheng Liu attends the GREAT-ITN visualization workshop in Seattle
- 9-22 Chiara Battistini attends NEON Observing school in Asiago
- 24-5/10 Torbjörn Sjöstrand at CERN for LHCC meeting and for theory institute

Important Dates, Events, and Information

The astronomy seminar programme for the autumn is available at www.astro.lu.se/Seminars/

- 4 ATP PhD student meeting
- 7 Deadline suggestions for speakers for 'The Källén seminar for breakthrough discoveries'
- 7 Barbecue for the new Master students
- 15 Kulturnatten
- 19 ATP talk by Carl Troen
